

The Friends of Newtonhill School (FON) is the school's Parent/Teacher Association and Parent Council. The Parent Teacher Association undertake a variety of fundraising activities throughout the year to raise money to help support the schools' activities.

The Parent Council works alongside the Headteacher and staff to develop strategic policies and are consulted on any educational developments that impact the pupils at Newtonhill School.

Any parent or carer with a child at Newtonhill School (Nursery – P7) is welcome and actively encouraged to attend FON Meetings and get involved in a wide range of activities to support the school.

FON undertake fundraising events throughout the year including the Christmas and Spring Fayres, the School discos and a lot of smaller events to provide extra resources for the school. They also provide the Parent Representative function at the school and often look to consult and get feedback from the wider parent body regarding matters affecting the school.

We also aim to ensure every member of the school community feels connected and therefore from time to time arrange social events for parents and carers to facilitate close connections across the year groups.
